

FANNIE MAE HOMESTYLE RENOVATION MORTGAGE®

PROGRAM SPECIFICATIONS	
Description	The Fannie Mae HomeStyle® Renovation is a single-close loan that enables borrowers to purchase a home that needs repairs or refinance their existing home and include the necessary funds for renovation in the loan balance. There are no required improvements or a minimum dollar amount for the repairs. Repairs or improvements, however, must be permanently affixed to the real property.

OVERLAYS

Follow all overlays outlined in the Fannie Mae Fully Amortizing and High Balance Program and:

- For transactions less than or equal to \$35,000 (“Limited”) up to a 50% initial advancement request in relation to estimated materials and labor costs before beginning construction to the Contractor (which includes but is not limited to materials labor and permits) after closing is permitted only when the contractor is not willing or able to defer receipt of payment until completion of work, or payment represents the cost of materials incurred prior to construction.
 - eLEND follows HUD requirements permitting a maximum of 2 draws after closing not to include the initial request as noted above and requires all draw requests to be performed in writing and executed by the Contractor and Borrower.
- For transactions with renovation greater than \$35,000 (“Standard”), funds for the renovation are released only upon satisfactory draw inspections. No funds will be released at the initial funding of the loan. All draws will be released within a reasonable amount of time after the Lender’s receipt and approval of a Draw Request from the Contractor (minus a 10% holdback reserve to ensure full completion of the work), a Contractor’s signed Lien Waiver and Release, and a satisfactory inspection with photos. All funds will be provided to the appropriate party via an ACH wire to their account. All requests for funds should be submitted to the lender’s construction administrator, eLEND’s Renovation Department. All requests should be submitted via e-mail to: renovation@elend.com. They can be contacted at 800-624-0501 or by using the department’s e-mail.
- eLEND permits for only 1 General Contractor; multiple General Contractors are not permitted with exception to well and septic contractors where outside the general contractor’s scope.
- eLEND does not permit identities/conflicts of interest between the borrower and contractor. The borrower and contractor may not be related nor, can there be any employee/employer relationship.
- Evidence of permit issuance prior to closing may be required.
- A contingency reserve equal to 10% up to a maximum 20% of the total costs of repairs and renovation work is required on all transactions. The eLEND UW will determine the contingency required based on their discretion and scope of work.
- Stamped and sealed line drawings by a licensed engineer or architect with a statement provided that permits can be obtained when any type of addition is being done or a zoning modification is going to be needed.
- eLEND requires the use of AsurityDocs (or equivalent) for all closing packages:
 - eLEND requires the use of eLEND’s Texas counsel for all FNMA HomeStyle closing packages: Sandler Law Group (“SLG”) c/o AsurityDocs, formerly MRG Docs, 717 North Harwood, Suite 1600 Dallas, TX 75201, email docs.support@asurity.com.
 - Correspondent clients that draw their own closing packages may use a document management company that will guarantee the closing package meets all county, state, federal and program requirements.
- Condominiums/PUDs
 - Ineligible review: Properties that require PCS (Project Certified Submissions)
- **Only rental income from units not included in the renovation project may be considered for qualifying purposes.**
